About the program

Program description*

Give a brief description of your program.

If the program is significantly different from last year, outline and justify any changes (for existing programs)

Character Limit: 1500

What are the community issues and needs your program seeks to address?*

- Describe the student and/or family cohort your program is seeking to support
- What are the learning support needs that have been identified for this cohort
- Outline how you have identified these needs and if you have considered community participation in this process.
- Outline consideration of other programs in the area that currently meet the identified need.

Character Limit: 1500

Demonstrate organisational ability to deliver a high quality learning support program*

Consider organisational experience that will enable the implementation and development of a high quality program.

Character Limit: 1500

Describe your sustainable development strategy*

- How will the program work towards achieving sustainability beyond the life of grant? Provide details of any supplement funding already secured.
- What actions will be taken throughout the granting period to support this?
- If this is an existing program, outline the progress on achieving sustainability to date.

Character Limit: 1500

Partnerships and collaboration*

Outline how you have worked with communities and others to either design, develop, or implement your program and/or support other Learning Support Programs in Victoria.

Character Limit: 1500

How does your program deliver high quality learning support?*

Refer to the Minimum Standards for Good Practice document to support your answer. Outline how your program aims to respond to the identified needs, using the Minimum Standards. You can access the Minimum Standards and other Learning Support Program resources here:

<https://www.cmy.net.au/organisations-businesses/education/learning-support-programs/resources/>

Consider:

- Program participants
- Program design and coordination
- Volunteer tutors
- Family and Community engagement
- Learning Support Sector involvement

Character Limit: 1500

How will you know if your proposed program has achieved its objectives?*

Outline what monitoring and evaluation you will undertake and consider how you will use feedback to ensure continuous improvement of the program.

Character Limit: 1500

Confirm capacity building engagement with CMY*

Please describe any capacity building activities you have undertaken with CMY/LBB, in relation to the delivery of Learning Support Programs.

Character Limit: 1500

If you are a new program, please confirm whether you have discussed your proposed project with CMY, and outline the engagement you plan to have with CMY/LBB during the grant period*

Character Limit: 1500

Budget

Amount sought in this grant round*
